

Cars with **ONLY** students in **grades 4-12**

Traffic approaches the MCA campus by heading north on Riverside Drive and turning left into the campus on the new drive around the soccer field. Traffic continues to the top of the hill, keeping right and proceeding through the turn-around circle just past the new high school building. Drop-off upper school students anywhere **after** the turn-around along the sidewalk from the new atrium area to the pavilion at the back of the school. Students exit from the passenger side of the car. Traffic then proceeds back down the new drive, exiting to the right on Riverside Drive.

Drop-off / Pick-up area for 4-12 students

Riverside Drive

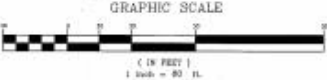

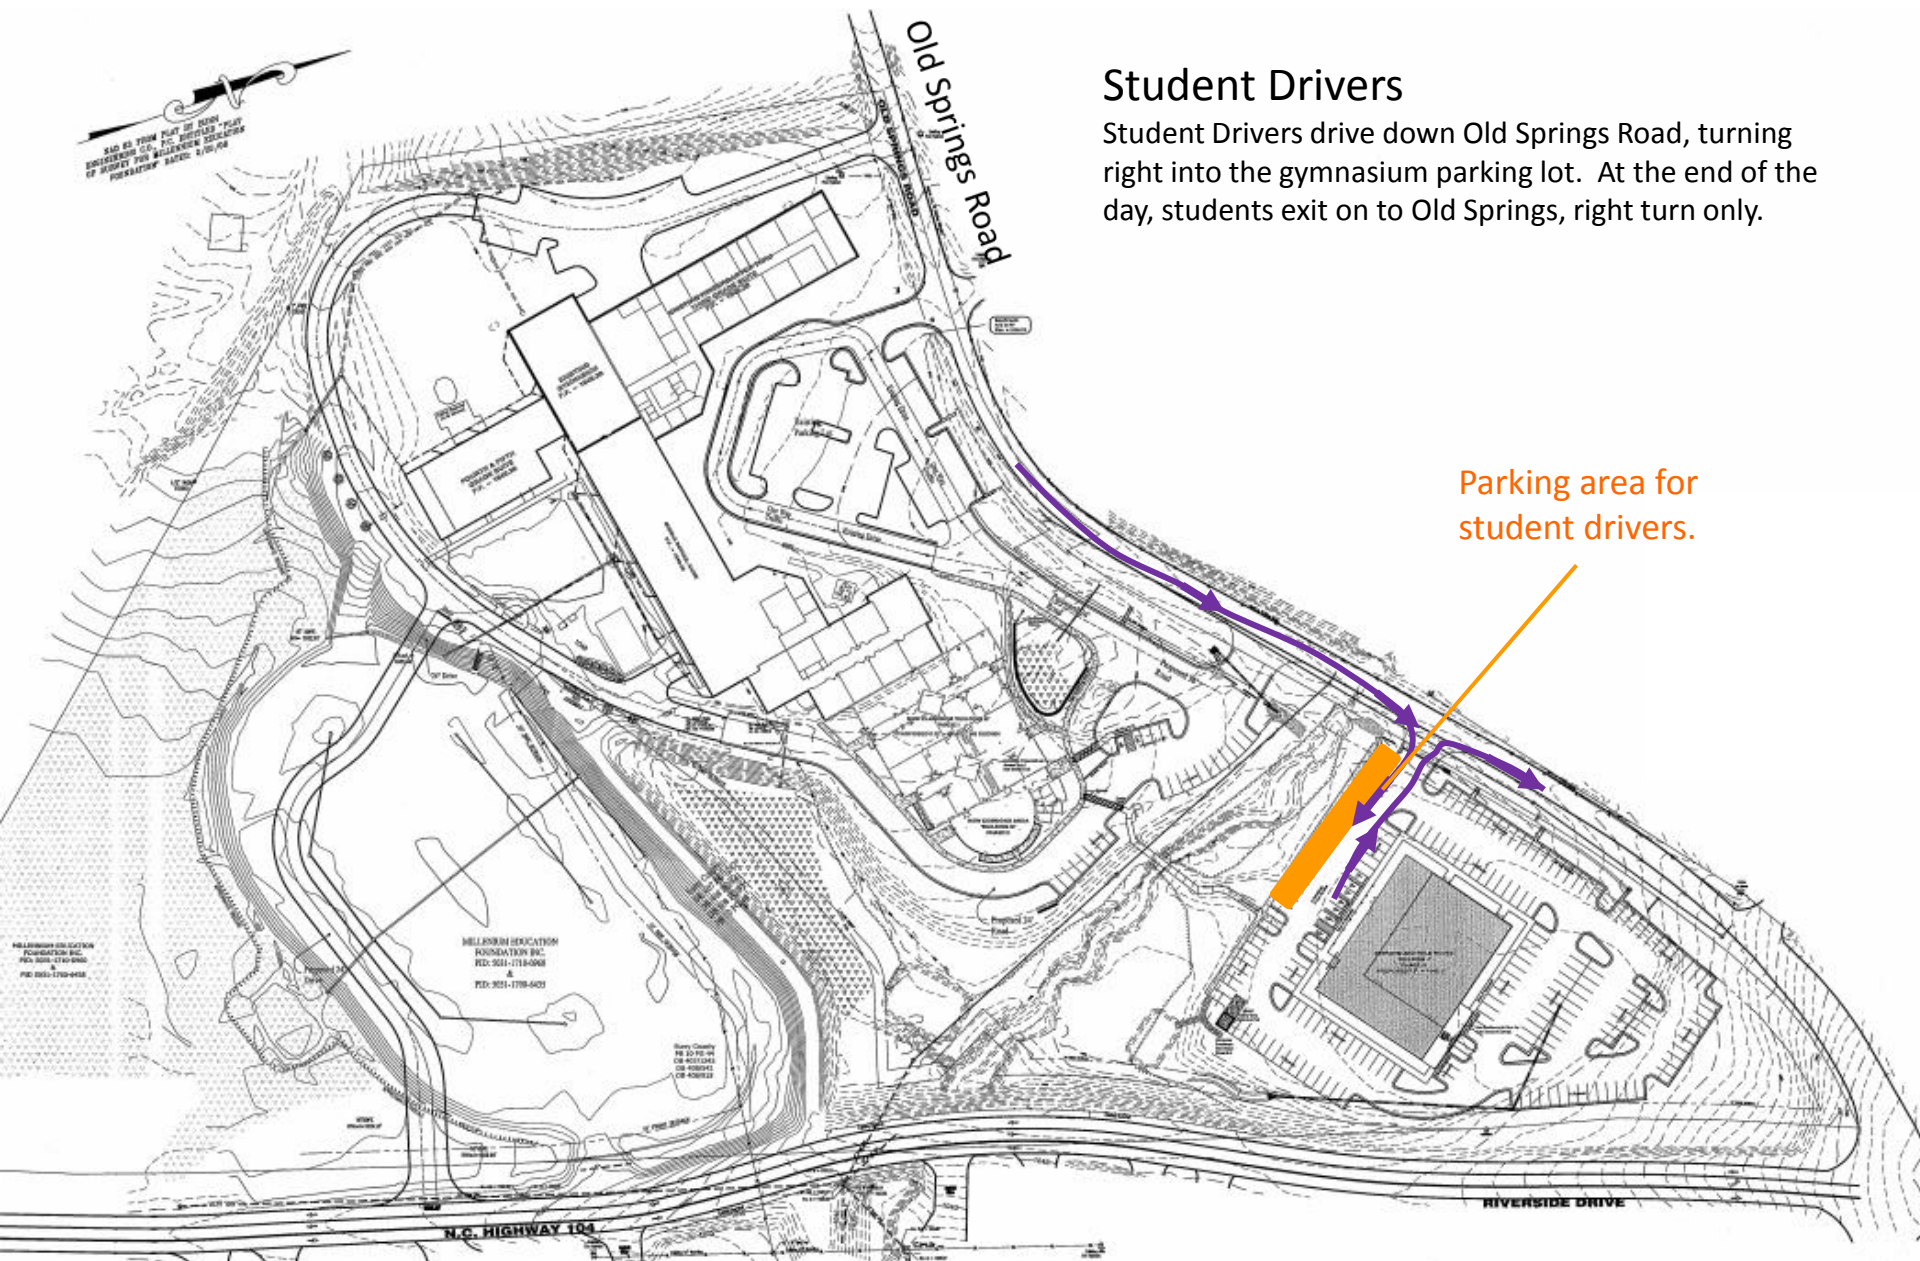

Cars with a student in **grades K-3**

All traffic transporting a kindergarten through fifth grade student approaches the school from Old Springs Road, making a right turn onto the campus. Traffic snakes through the parking lot. Drop off children along the main sidewalk. Exit by continuing around the drive and making a right turn back on to Old Springs Road.

Drop-off / Pick-up area for K-3 students

Riverside Drive

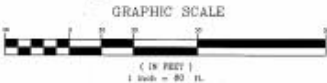

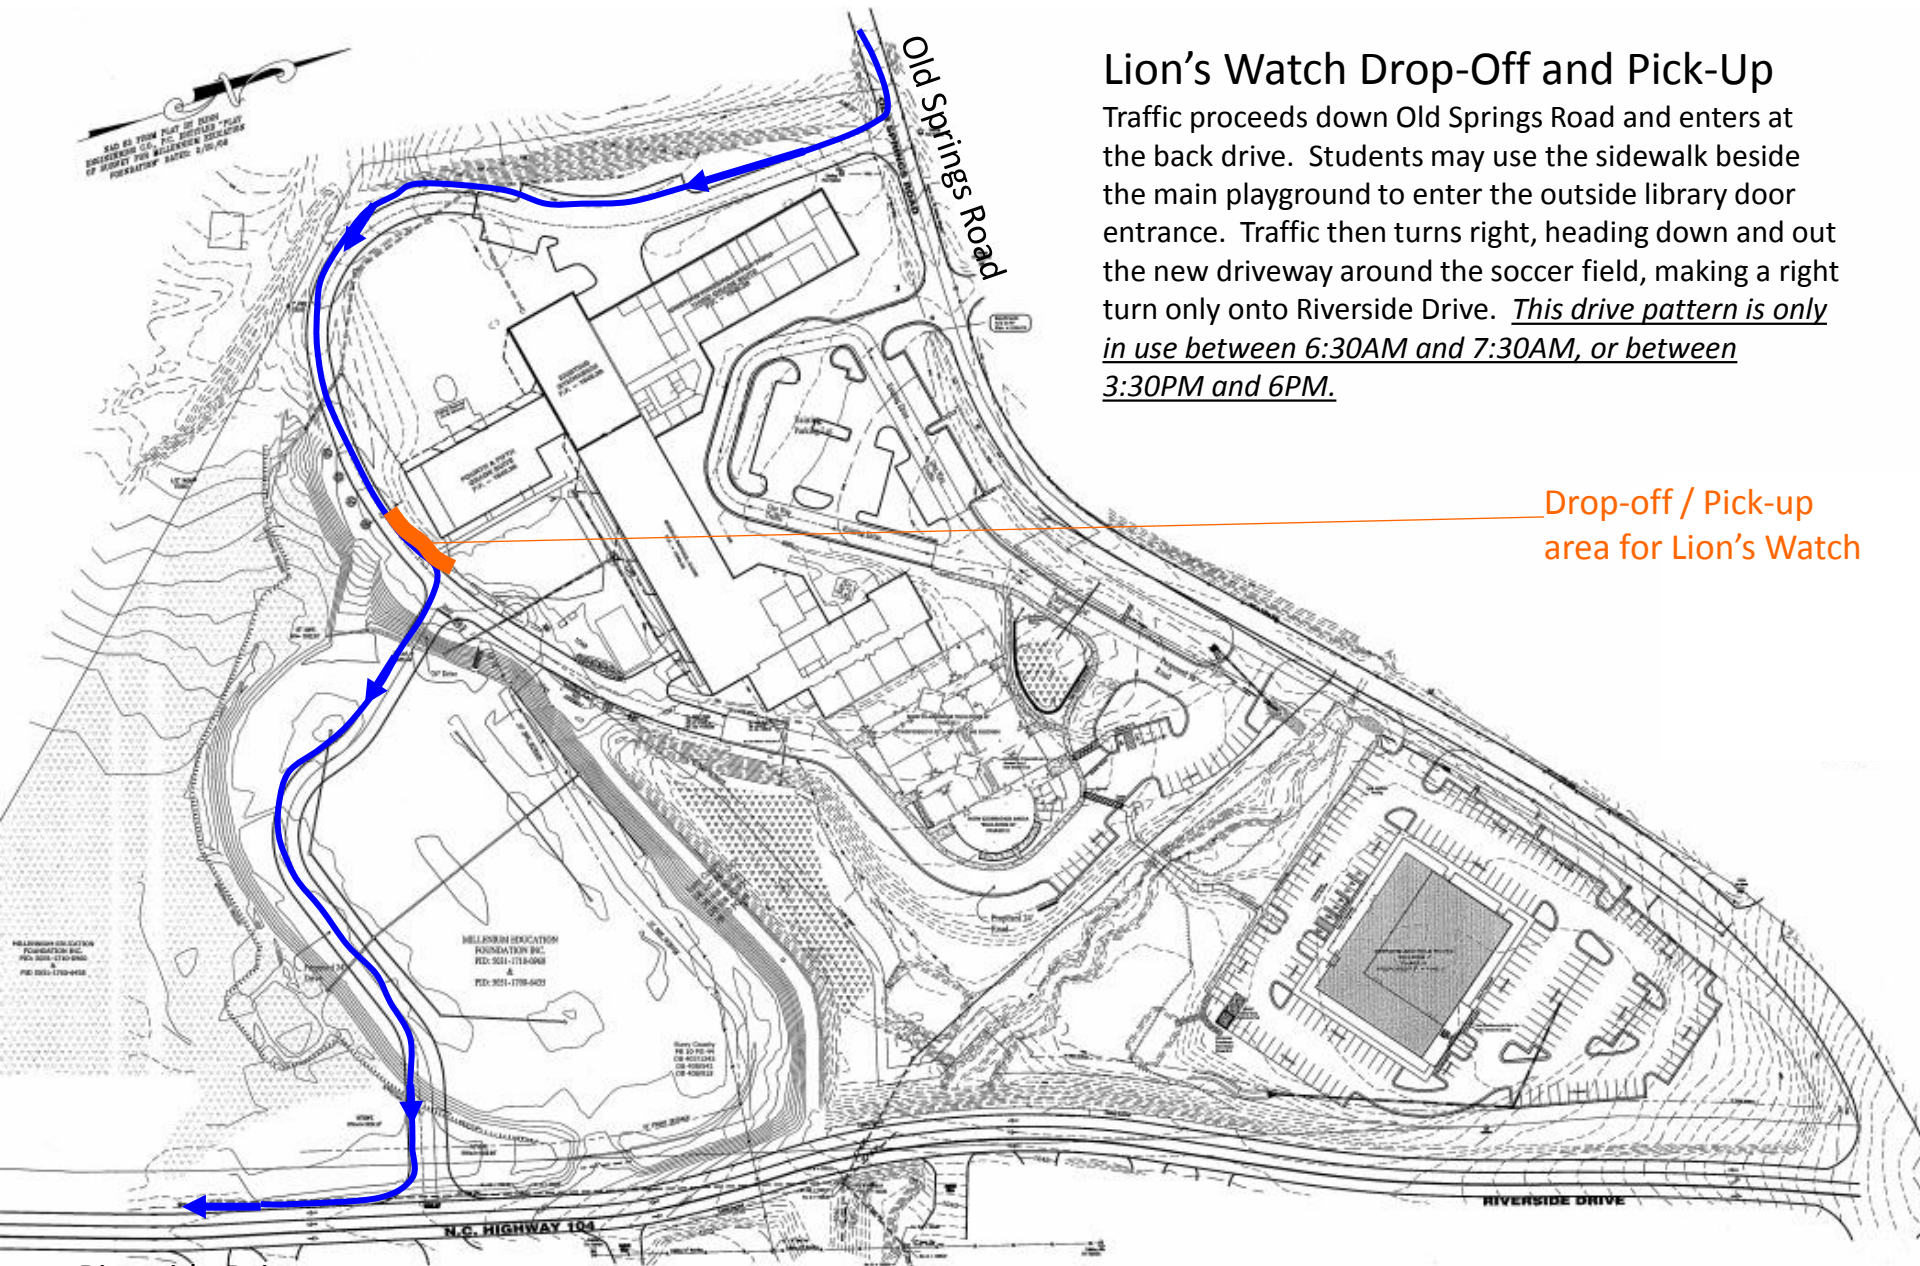

Student Drivers

Student Drivers drive down Old Springs Road, turning right into the gymnasium parking lot. At the end of the day, students exit on to Old Springs, right turn only.

Parking area for student drivers.

Riverside Drive

Lion's Watch Drop-Off and Pick-Up

Traffic proceeds down Old Springs Road and enters at the back drive. Students may use the sidewalk beside the main playground to enter the outside library door entrance. Traffic then turns right, heading down and out the new driveway around the soccer field, making a right turn only onto Riverside Drive. *This drive pattern is only in use between 6:30AM and 7:30AM, or between 3:30PM and 6PM.*
