Millennium Charter Academy Events Worth Roaring About

MCA Hosts First Annual Athletic Banquet

In past years, MCA has presented both academic and athletic awards during the end of year awards program for upper school. This year, however, MCA's athletic program grew large enough to warrant a separate setting of its own, very exciting news for our athletic program. The event was a fun, family night with student athletes and their parents bringing in many delicious dishes and desserts for a pot luck supper that was followed by the award presentations. Coaches from all sports were on hand to recognize team members and to present awards. We congratulate all our student athletes for a great year in MCA athletics!

Eighth Grade Academic Awards

Each year, MCA presents subject area awards to those eighth grade students who best exemplify scholarship throughout their 6th – 8th grade years. Each award recipient must have a three-year average within the top ten percent of the course and be recognized by the upper school faculty and staff to exhibit the high ideals of MCA. In addition to the academic awards, MCA also presents a Citizenship Award to the one student who best exemplifies the highest ideals of the school throughout his or her career at MCA. This individual embodies the Academy's three foundational pillars of scholarship, character, and community, and is known to epitomize the qualities of an exceptional student. Meet our eighth grade academic award winners for the 2015-2016 school year!

Sophomore Awards

For the first time ever, Millennium Charter Academy presented Sophomore Awards to our rising junior class. These subject area awards are presented to those tenth grade students who best exemplify scholarship throughout the first half of their high school career. Each award recipient must have a two-year average within the top ten percent of the course and be recognized by the Upper School faculty and staff to exhibit the high ideals of MCA.
