## And We're Off!

The 2012-2013 school year for Millennium Charter is off to a great start! Classes started on August 16 with many happy faces. Students and parents lined up, eager to enter the building, and teachers were just as eager to see the students back in class. Everything went very smoothly, and all parents, teachers, students, and administrators are to be commended for such a great start to this school year.
