MPACT Has Exceptional Year at MCA!

This month *The Lion's Roar* is roaring about MPACT, Millennium Parents and Concerned Teachers, MCA's parent-teacher organization, which has the mission of enhancing the educational experience of all our students. This past year, MPACT had a record setting year, handling a whopping **\$77,000.00**. MPACT is responsible for several large events, including the annual Autumn Leaves Festival Hotdog Booth, the annual Spring Fling, and candy and magazine fundraisers. MPACT also supports events like the Kindergarten Play Date and the Middle School Splash, as well as performing all money handling for library book fairs. Every cent of monies earned goes back into MCA. Take a look at some of the major purchases this past year.

The new steps leading down to the soccer field offer enhanced safety and ease of access for students and parents.

New books purchased by MPACT may be found in the library and in many classrooms.

The goggle sanitizer, located in the science lab, is much more efficient and safer for cleaning goggles than just regular washing.

MPACT makes purchases for things like extra materials from the Orton-Gillingham Academy which are used to help young readers in grades K-2, as well as subscriptions to organizations such as the International Society for Technology in Education which offers ideas and support for technological instruction for students.

MCA appreciates MPACT and its dedicated leaders and workers for the constant support of our students.
