MCA Housekeeping – Above and Beyond!

MCA prides itself in always going above and beyond the norm in everything we do. Our wonderful housekeeping staff is no exception. During the school year, our housekeeping staff routinely takes excellent care of our facility, but during the summer their true dedication to MCA shines with everyone involved working extra hard to make sure everything looks beautiful for our students when school opens. During the summer months Mike Chandler and Travis Boles join our regular staff of Marcie Gwyn, Ricky Chandler, and Edith King.

This summer's major projects included sanding, priming, and painting the lower elementary hallway, cleaning and waxing all hard floors, shampooing all carpeted areas, painting several classrooms, overseeing new carpet installation in certain classrooms, washing all windows, washing all doors and door handles, deep cleaning of all restrooms, cleaning the gym floor, cleaning the duct work in the gym ceiling, replacing data/electrical boxes in the library and the former wireless lab, plus many more tasks too numerous to list. When you come back to school next month, be sure to take a moment to thank our great staff for their dedication and for taking such a personal interest in going above and beyond to keep MCA very clean and looking beautiful.

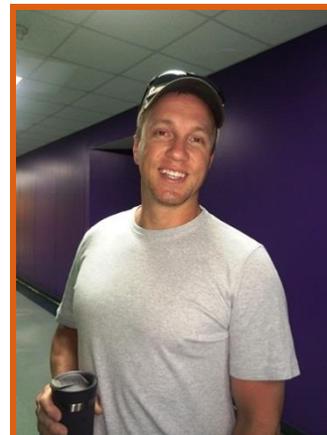

Marcie Gwyn, Director of Housekeeping

*Ricky Chandler, or "Mr. Ricky" as he is affectionately known to students.*

Mike Chandler

Travis Boles

Edith King

This photograph of the lower elementary wing showcases the shiny new waxing and the beautiful new paint on the walls, just a couple of the projects completed by the MCA Housekeeping Staff during the summer.
