## Student Leadership Council to Partner with Make a Wish

The MCA Student Leadership Council (SLC) operates in grades three through five, helps develop ideas and plans to enhance the educational experience for students, represents MCA to visitors of the school, and helps the community through various charities. One of the most important responsibilities of the SLC is greeting prospective parents that tour MCA. Any time a visitor visits a classroom, the leadership representatives in that class are responsible to quietly come to the door to greet the visitors. They then explain what is happening in the classroom and answer any questions the visitors might have for them. This one activity has tremendous impact on our visitors and never fails to thoroughly impress.

This year, SLC will be working with the Make a Wish Foundation, which has the mission of granting the wishes of children with life-threatening medical conditions to enrich their lives with hope and joy. SLC plans to help raise funds for Make a Wish by encouraging our students to take part in the Winston-Salem Walk for Wishes, held at Tanglewood Park in Clemmons, NC, on November 15.

On October 14, a representative from the Make a Wish Foundation will be at MCA to present fundraiser information for Make a Wish to our students.
