Student-Athlete's Honor Code

As an MCA student-athlete, I will uphold the high ideals of this institution with integrity by honoring teammates, coaches, parents, fans officials, opponents and myself both on and off the field of competition. I will strive to demonstrate MCA's *Habits* of obedience, courtesy, truthfulness, responsibility, attention, thinking, diligence and excellence in my duties to my coaches and my team. I will compete fiercely and be committed to the greater good of the team and the school.

I am a student-athlete; a student first, an athlete second. I will always do my best in the classroom to succeed. I will also give my best effort on the field.

I represent my school, my coach, my teammates, my parents, my community and myself. I will be held accountable for my actions.

I realize that failure to comply and uphold the MCA *Student-Athlete's Honor Code* may mean suspension or dismissal from the team.

Parent's/Guardian's Code of Conduct

As a parent of a Millennium Charter Academy *student-athlete*, I agree:

- To hold my child to the *Student-Athlete's Honor Code* at home and at school.
- To foster in my child, as will the Academy, the *Habits* of obedience, courtesy, truthfulness, responsibility, attention, thinking, diligence and excellence.
- To realize my child is a *student-athlete*; a student first, an athlete second.
- To treat all players, coaches, parents, fans, officials and opponents with the utmost respect.
- To uphold and adhere to the Academy's established values, policies, procedures and expectations.
- To refrain from profanity, derogatory remarks and demeaning cheers toward my child, others' children, coaches, other fans and officials.
- To support my child and his/her teammates.
- To have my child at practices, games and other team functions on time and pick them up at designated times.
- To pay the athletic fee associated with my child's sport.

I realize that failure to comply and uphold the MCA *Parent's Code of Conduct* may mean suspension or expulsion from school athletic functions.
