Millennium Charter Academy Events Worth Roaring About

July 2015

## MCA By the Numbers

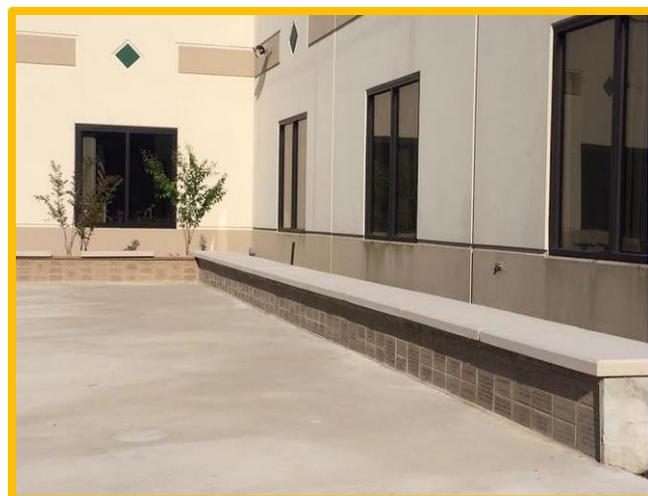

The 2015-2016 school year for Millennium Charter Academy is almost ready to start. Things are looking great at school, with freshly waxed floors, newly painted walls, and thoroughly cleaned classrooms, rest rooms and hallways. This school year reflects the addition of an extra section of first grade, and two new sections of tenth grade, giving us a total of thirty-three regular classrooms, in addition to our five special classes of art, music, physical education, technology, and library. As the year kicks off, we thought you might like to learn a few other interesting statistics about our school. See the chart at the left to check them out.

### MCA 2015-2016 School Stats

- This is MCA's 16<sup>th</sup> year of operation.
- 688 students are enrolled across 11 grades.
- MCA has

  - Approximately 15 phone calls per hour in the lower school main office during a routine school day
  - 2 playgrounds, 2 ball fields, and 11 potential sports teams.

## Commemorative Wall Nears Completion

The commemorative brick wall, sponsored by MCA's Campaign for Achievement capital campaign committee, is scheduled to be completed by the beginning of this school year. Below are two pictures showing placement of the wall, which will also double as extra seating for events on the patio. With the vertical placement of the bricks, wording won't fade with weather or foot traffic. Please feel free to come by the school and find your brick! Thanks to all that participated in helping create this beautiful and special addition to our campus.
