Each award recipient must have a three-year average within the top ten percent of the course and be recognized by the Upper School faculty and staff to exhibit the high ideals of MCA. MCA Athletes Recognized at Athletic Banquet

MCA had a stellar year in athletics. Fencing and cross country were added to the list of sports offered, and the high school girls' track team won first place at the state level. Student athletes were recognized for their winning efforts at the annual athletic banquet, which was a fun, family night with student athletes and their parents bringing in many delicious dishes and desserts for a pot luck supper followed by the award presentations. Coaches from all sports were on hand to recognize team members and to present awards. We congratulate all our student athletes for such a great year!
